Amazing Quality And Service

I've been eyeing this watch for over a year and decided to get it for my birthday! It's everything and more. I originally got the gold but felt silver would suit me better. Exchanging was a smooth and swift process. I'm so happy with my first timepiece!

My Second March Hare Watch

This is my second March Hare watch and I love them both! They are a classic style that matches everything and love the easy to switch strap.

Amazing For Small Wrists!

If you're looking for the perfect small wrist watch - this is it! I have tiny wrists and normal watches look odd on me. This one is beautiful and elegant. The packaging and travel bag is also great! 10/10 recommend. WARNING: You will get many compliments!
