ABOUT US

Odin is a design studio with a proven track record, initiated on the shop floor of the construction industry. We have over 25 years of experience in construction, working on a geographically diverse range of projects. This gives us a truly unique overview of our clients vision, aiding in providing truly one off luxury builds! Having previous experience with builds ranging from 1 bed apartments all the way up to 20,000ft2 villas and 40 bedroom boutique hotels.

We ensure that our vision of architectural design and our clients needs become a reality on each and every project.

We provide a full design service including:

- Floor plans & elevations for planning submission.
- Full construction detail plans & build permit application service.
- 3D visualisations.
- Real life rendered animations.
- Fixture & fittings specification & supply.
- Project management.
